III. Statement of Claim

I, Nathaniel Palmer Borgen allege that all parties listed have violated my constitutional rights. I have previous claim that I tried to contact Dr. Gimino for help before my dad passed away. I was let down on many occasions. The retirement centers listed have done inconceivable damage to me and my family by ignoring vital issues and taking large amounts of money by extortion. I was let down again when my civil rights were violated by Judge Bassi in court while I was in serious hardship. The Oregon Supreme Court completely ignored my complaint and violated my constitutional rights. There was no correspondence or contact whatsoever.

IV. Relief

I ask this court for relief that is just, suitable and compensates for the losses and damage I have sustained.

V. Certification and Closing

I agree to provide the Clerk's Office with any changes to my address where case related papers may be served. I understand that failure to keep current address on file with the Clerk's Office may result in the dismissal of my case.
